

Meeting minutes 15th July 2015

Meeting opened 7.05pm

Attendees: Sue & Jack Curtis, Alister Allans, Dave Olliver, Mike Van Loon, Joan Adams, Neville Miller

Apologies: Deedee, Jamie Arbuckle, Jessica Bagge

David welcomed everyone. A special welcome to 2 new faces Sue and Jack.

Distributed last meeting minutes and had informal discussion. Minutes confirmed by Dave and Mike.

Dave suggested to hold a discussion meeting instead of following the agenda as very few people turned up and no guest speaker turned up.

Dave explained "our" proposal for Blenheim Christmas tree and showed page from Marlborough Express and comments from the public about the "\$100K" budget.

We talked briefly about "Smart v connected" to update the new people.

People generally talked amongst themselves and enjoyed the "chit chat"

We did not use the Dodson voucher as few attendees.

Dave thanked everyone for coming and apologised for the lack of attendees and blamed it on the school holidays.

Agenda to be carried over to the next meeting.

- Smart & Connected – Colin Baas to attend
- CBD Upgrade – Tim Thomas to attend if possible
- Plans river/footpath

Next meeting Wednesday 12th August at Dodsons

Meeting closed at 8pm
